The Piano, Orchestra and Chorus
of Henry Mancini

At the Piano ...Henry Mancini

Henry Mancini is a multi-talented man. You may think of him first as a composer because of the multitude of his popular hits. Perhaps you're most impressed by his skill as an arranger-conductor, for handling an orchestra is another well-known Mancini forte. Yet few realize that he is also an accomplished pianist. The proof is in the listening pleasure. Here is Henry Mancini with *A WARM SHADE OF IVORY*—his first album as a piano soloist.
